

2021 Presbyterian Week of Action - August 23-29, 2021: Consider engaging with these PC(USA) partners who are working to eradicate systemic poverty.

1. *Support human rights and fairness for farmworkers! The Coalition of Immokalee Workers' (CIW) Fair Food Program is a unique partnership among farmers, farmworkers, and retail food companies that ensures humane wages and working conditions for the workers who pick fruits and vegetables on participating farms. Visit www.ciw-online.org to find ways you and your congregation can be involved in this farmworker-driven, consumer-powered initiative.*
2. *Join the Poor People's Campaign in your state! The Poor People's Campaign: A National Call for Moral Revival is uniting people across the country to challenge the evils of systemic racism, poverty, the war economy, ecological devastation and the nation's distorted moral narrative of religious nationalism. www.poorpeoplescampaign.org*
3. *Join Jubilee USA for [Jubilee Weekend: A COVID Response to End Poverty and Inequality and Protect our Planet](#). As world leaders decide on our Jubilee pandemic solutions this fall, sign-up for Jubilee Weekend during the IMF and World Bank Meetings, October 15-17. The IMF meetings and the G20 meetings a few weeks later will be the most important meetings for Jubilee USA's pandemic response efforts on vaccines access, development aid, debt relief, tax reform and climate. Sign up your group or faith community to pray, advocate, or take action to support the vulnerable.
