The state’s quick action to amend this law encourages us to believe we can continue our long relationship with Purdue University while sharing Christ’s love with people in the midst of struggle and change.

The Leadership Committee also wishes to commend PMA staff for its sensitivity to this politically charged issue and for working behind the scenes to ensure the youth and adults who attend Triennium have a safe and welcoming place to worship and witness to the love of Christ.

The churchwide initiative will inspire, equip, and connect congregations, mid councils, and the Presbyterian Mission Agency to improve the quality of education for 1,000,000 children in the U.S. and globally over the next four years. The national initiative will focus on “Strengthening Early Childhood Education” and “Reducing the Dropout Rate of Adolescents.”

Board members were invited to engage in generative discussion using the following questions:

1. Given our Reformed tradition and the promises we make to children when we baptize them, how do we understand our responsibility to all children in this nation and around the world?

2. From your perspective, what are the most critical needs of children today? What factor does education play in meeting these needs?

3. What role can mid-councils play in enabling and celebrating congregations as they engage in shared ministry that addresses the needs of children?

The Board recessed for a break at 9:35 a.m. and reconvened at 9:47 a.m.
