**GRANT POLICY**

The Board of Directors of the Presbyterian Church (U.S.A.), A Corporation **VOTED** to approve the following resolution:

**RESOLVED,** that the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation ("Corporation") hereby approves the Grant Policy, attached as **Attachment 8,** which outlines the standards and procedures for the administration of all grant proposals received by any Presbyterian Mission Agency (PMA) ministry grant program, with the Grant Policy not applicable to the grants referenced in the Mission Development Resources Committee Grant Policies and Procedures adopted by the Corporation on April 17, 2015.

**HOW FEDERAL STUDENT LOAN FORGIVENESS IN 2017 AFFECTS UNDERGRADUATE AND**

The Presbyterian Mission Agency Board and the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation **VOTED** to approve the following recommendations from the corporate Property, Legal, and Finance Committee and
the Leadership Committee: (Attachment 9)

1. Recognize that loans offered through Financial Aid for Service no longer offer a significant advantage for or lower costs to Presbyterian students or parents (this program is completely separate from our financial support for seminary students).

2. Direct the Presbyterian Mission Agency through its Financial Aid for Service office to cease all student and parent loan origination activity for undergraduate and graduate loans effective April 1, 2016. Transformational Leadership Debt Assistance and Season of Service Loan Assistance programs will continue.

3. In anticipation of the October 2017 effective date for loan forgiveness through Public Service Loan Forgiveness (PSLF), direct Presbyterian Mission Agency to:
   a. Explore means to forgive existing PCUSA student loan balances for teaching elders serving congregations in pastoral positions and borrowers that entered repayment since 2007 and would qualify for relief under the PSLF guidelines.
   b. Propose alternatives to lending with particular emphasis on expanding repayment assistance for a) teaching elders, b) missionaries serving through World Mission, and c) church members presumably ineligible for Public Service Loan Forgiveness because their employment activity encompasses worship, religious instruction, and proselytizing.

4. Direct the Presbyterian Mission Agency staff to coordinate this work with the Foundation and Board of Pensions staff in the following ways:
   a. Coordinate with the Foundation to invest accumulated interest and seek maximum yield for the program resulting from 2.b. above.
   b. Coordinate with the Board of Pensions to improve awareness of plan members to manage educational debt and avoid or reduce redundancies in programs for student loan repayment assistance.

5. Direct the Presbyterian Mission Agency staff to reserve the unused portion of 2015 and 2016 budget (the portion for loans that otherwise would have been originated) for servicing of existing loans, and administrative and legal expenses that may be incurred by Financial Aid for Service to design a new program and create education debt management resources.

ADJOURN

Following the above actions, the Board of Directors VOTED to rise from the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation, and Its Constituent Corporations, and reconvene as the Presbyterian Mission Agency Board.

There being no further business for consideration, the meeting of the Board of Directors of the Presbyterian Church (U.S.A.), A Corporations and Its Constituent
Corporations, was adjourned at 10:53 a.m. with prayer offered by Gamm.

Respectfully Submitted,

Susan Abraham
Recording Secretary

Subject: Approval of Mission Development Resources Committee Grant Policy and Ratification of Actions

Recommendation:

It is recommended that the corporate Property, Legal, and Finance Committee and the Worshipping Communities Committee, recommend to the Board of Directors of Presbyterian Church (U.S.A.), A Corporation the following resolution for its approval:

RESOLUTION

RESOLVED, that the Grant Policies (“Grant Policy”) and revisions thereto approved by the Mission Development Resources Committee on August 11, 2014, attached hereto and incorporated herein by referenced, are approved, ratified, and confirmed effective April 17, 2015 and

FURTHER RESOLVED, that the amendments made to the Grant Policy and the decisions made based on such amendments between September, 2008 and the date of this action be and hereby are ratified.

Background:

- “Reports to the Worshipping Communities Committee, typically in the form of action items, information reports and changes to the MDRC Manual of Administrative Operations” (Section III, B, 4) and
- Implements its work through various listed functions including “Recommending policies, procedures and guidelines that govern the grant and church loan programs” (Section III, 6, c).

Upon review of the MDRC Manual of Administrative Operations (“MDRC Manual”), it was discovered that it consists of two (2) parts: a part constituting the manual which describes the history of MDRC, the work of MDRC, and the structure of MDRC and a part which contains the grant policies and procedures. The Policies and Guidelines of the General Assembly Church Loan Program Endowment Funds are a separate document from the MDRC Manual of Administrative Operations.
The PMA Manual requires that the MDRC Manual updates be reported to the Worshiping Communities Committee and that the grant and loan policies and procedures be recommended to the board for approval. It appears that, because the grant policies and guidelines were included in the MDRC Manual, there was a misunderstanding regarding the appropriate process for reporting and seeking approval which resulted in grant policies and procedures not being provided to the board as a recommendation for approval but rather for information in reports. The purpose of this action is to bring Grant Policy into alignment with the requirements of the PMA Manual and ratify past changes to the grant policies and procedures and all actions taken pursuant to those changes. A separate Information Item is being presented to the Worshiping Communities Committee to report the MDRC Manual. Future revisions to the Grant Policy which potentially eliminate assets or significantly change the risk of loss associated with the assets of the restricted funds used to support these programs and/or Presbyterian Church (U.S.A.), A Corporation will be submitted to the Presbyterian Mission Agency Board and Presbyterian Church (U.S.A.), A Corporation through the Worshiping Communities and Finance Committees for approval.

POLICIES
Preamble
Jesus Christ commands his disciples to go into the world, preaching the good news and
living a life that exhibits love for God, neighbor and self (Matthew 28:19-20). Grants are
made available for organizing new worshiping communities and supporting presbytery
efforts to build the capacity to continually transform existing congregations. Support for
these faithful responses by the Presbyterian Church (U.S.A.) is, itself, obedience to
Jesus Christ. It is an expression of the mission of the church to go into the world, sharing the Good News.

Grants are intended to be for short-term, start-up, and supplemental operating support for projects which meet the eligibility criteria, have been well researched and planned, and demonstrate that they have a reasonably good chance of meeting their goals and objectives. Projects that are not well conceived may be denied funding even in years when there may be unexpended funds.

**Grant Definitions**

**New Worshiping Community (NWC) Grants** (For the purpose of this grant process New Worshiping Community is defined as a community that may or may not have an ultimate goal of growing into a viable and sustainable new congregation).

These grants are intended to support new worshiping communities that are related to the Presbyterian Church (USA), located within the United States and Puerto Rico and ordinarily established no earlier than July 2010.

These grants are designed to encourage the birth of new worshiping communities through congregations and presbyteries rather than to fund the expansion or support of existing congregations or programs.

**New Worshiping Community Definition**

- **New**
  - **Seeking to make and form new disciples of Jesus Christ**
    
    NWCs witness in word and deed (1 John 3:18), continuing Jesus’ own mission of discipling, feeding, teaching, healing, welcoming, crossing boundaries, and proclaiming God’s coming realm. Those with new and renewed faith join the Spirit’s transforming work in the world.

  - **Taking on varied forms of church for our changing culture**
    
    Living out the Gospel demands ministry which engages today’s cultures (John 1:14). New ways of joining Christians together for contextual ministry will use current and historic ways of “being church” as springboards for creative innovation (Matthew 9:17).

- **Worshiping**
  - **Gathered by the Spirit to meet Jesus Christ in Word and Sacrament**
    
    We seek to hear, come to believe, and are equipped to live the promises of God revealed in the scriptures of the Old and New Testaments. NWCs welcome new members of the body of Christ (1 Cor. 12:27) through Baptism and are nourished by Christ’s spiritual presence in the Lord’s Supper.

  - **Sent by the Spirit to join God’s mission for the transformation of the world**
    
    The Spirit impels us outward, so that worshipers participate in the redemption of the world in Christ (Col. 1:20). Therefore, the primary beneficiaries of the NWC
are not its own members, but rather its community and world.

- Community
  - Practicing mutual care and accountability
    We commit ourselves to love one another (John 13:34) in relationships of mutual care and accountability, as faithful disciples of the Lord Jesus Christ. Entrusting ourselves and the church to the Holy Spirit, we seek to grow to maturity in faith and life.

  - Developing sustainability in leadership and finances
    As distinct yet connected expressions of the body of Christ, NWCs have local leadership arising from their own community of faith (Exodus 18:21). Pastoral leadership, facilities, and ministries are all appropriately structured in order to demonstrate good and faithful stewardship.

Mission Program Grants – The following applications and supporting resources are available from the Mission Program Grants Office website.

**Seed Grant:** New worshiping communities may apply for a one-time grant of up to $7,500. Matching funds are not required.

For the purpose of the Seed grant, it is not a requirement for the Stated Clerk to have completed the Office of the General Assembly Church Change Form (CCF) on behalf of the project to be supported. However, it is a requirement for the Stated Clerk to complete the CCF prior to applying for the Investment Grant.

**Investment Grant:** All new congregations begin as new worshiping communities but not all new worshiping communities will become congregations. This grant is intended to help you develop the direction in which your ministry will grow.

At least one year after receipt of a Seed Grant, a one-time Investment Grant of up to $25,000 is possible and will provide for the next eighteen months. Approval of Investment Grants is conditioned upon real progress toward completing the tasks set forth in **Starting New Worshiping Communities**. Investment Grants ordinarily require a dollar-for-dollar match provided by the combined contributions of the partner congregation and presbytery and/or synod. In-kind contributions for the match are acceptable. Waivers of the match will be considered on a case-by-case basis, upon request.

**Growth Grant:** The Growth Grant supports and encourages new worshiping communities whose process of faithful discernment has led them to establish a new ministry, responsive to the needs of a new group of people, with the ultimate goal of growing a viable and sustainable new congregation.

At least eighteen months after receipt of an Investment Grant, a one-time Growth Grant of up to $25,000 is possible and will provide for the next eighteen months. Approval of a Growth Grant is conditioned upon significant progress being made toward meeting the goals and objectives as outlined in the Investment Grant proposal. A dollar-for-dollar match provided through presbytery and/or synod is ordinarily required. In-kind
contributions are acceptable and waivers of the match will be considered on a case-by-case basis, upon request.

While the dollar-for-dollar match is a requirement for the Investment and Growth Grants, the source of those funds may be provided through a mid council, by a congregation, clusters of congregations, individuals outside or within the new worshiping community and other sources deemed appropriate by the mid council providing oversight.

**Health Insurance Grant:** This grant program provides supplemental funding to the partner congregation and/or presbytery in support of new church organizing pastors or new worshiping community leaders who would not otherwise be able to afford health insurance. These grants are limited to new congregations and new worshiping communities that are related to the Presbyterian Church (USA), are located within the United States and Puerto Rico and were ordinarily established no earlier than July 2010.

Presbyteries may apply at any time on behalf of new congregations and new worshiping communities for an annual grant of up to $1,500. This grant is twice renewable, for a total of three years, upon approval of an application each year. Subsequent year grants require reapplication one year from when funding is received. A dollar-for-dollar match provided through the partner congregation and/or presbytery is ordinarily required. Waivers of the match will be considered on a case-by-case basis.

If a new congregation or worshiping community has not previously been approved to receive a Seed Grant or is applying for an Investment Grant, it is a requirement of the Health Insurance Grant for the presbytery Stated Clerk to complete the Church Change Form prior to making application.

However, if a new congregation or worshiping community has been approved to receive a Seed Grant, it is not a requirement of this grant for the Stated Clerk to complete the Office of the General Assembly Church Change Form on behalf of the project to be supported.

**Note:** No one project may receive more than $57,500 in total grant assistance. The Health Insurance Grant does not figure into this amount since it is designed to assist individual leaders.

**Presbytery Grant for Congregational Transformation:** This ordinarily is a one-time grant of up to $50,000 in support of presbytery efforts to build the capacity and framework to encourage and enable continual congregational transformation. The application form includes a readiness assessment tool that provides the presbytery an opportunity for self-examination as it begins the challenging task of leading transformational change.

The first year lump-sum payment will be for up to $30,000 and, assuming satisfactory progress has been made toward meeting stated goals, a second year lump-sum payment of up to $20,000 will be disbursed. A dollar-for-dollar match provided through presbytery and/or synod is required but waivers will be considered on a case-by-case basis, upon request. This grant is not intended to provide funding for congregational-
level transformation efforts.

**Sources of Funds**

Funding for grants is provided by interest earned on Church Loans and other endowments. The disposition of funds is made in accordance with the donor's instructions.

**Application Procedures**

Applications are to be prepared, approved and submitted by a presbytery and/or synod to the grants office. The MDRC will review and make funding decisions. Staff is not authorized to prejudge the decisions of the MDRC.

Grants office staff support the efforts of the MDRC and the applicants by being available to answer questions and provide guidance concerning the grant application criteria, the process to be followed when preparing a proposal, and other related application information.

Staff and coaches of the Presbyterian Mission Agency, Evangelism & Church Growth and the Racial Ethnic & Women’s Ministries Program Areas are available for consultations to answer questions and provide guidance in the design of the project and feedback concerning the content of the proposal.

If a mid council cannot fulfill any of the requirements of the grant program, a request for waiver may be submitted with the application.

**Project Criteria**

**The Ministry Plan Should:**

- Represent new work in the areas of new worshiping communities or presbytery-level congregational transformation;
- Demonstrate its commitment to witness the Gospel of Jesus Christ;
- Relate to the life and development of the surrounding community and respond, within the context of the Gospel of Jesus Christ, to human needs not otherwise being adequately met;
- Involve appropriate partners in planning and funding the project.

**The Operating Income and Expense Budget, if required, Should:**

- Include an itemized and balanced income and expense operating budget for the full grant period. The budget is to include income amounts from the new worshiping community, partner congregations, mid councils, the Presbyterian Mission Agency and other sources;
- As an expression of connectional stewardship it is a requirement for Growth Grant proposals that at least 5% of a new worshiping community’s operating budget be directed to Basic Mission Support. The proposal should also exhibit a clear desire to be generous by committing an additional 5% of their operating budget in support of those outside the congregation through local, national and global mission work.
Basic Mission Support is the total of all monies given to mid councils and Presbyterian Mission Agency entities, including payments toward the mission budgets of these entities.

Proposals should describe how the project will continue to be financially supported following the completion of the grant.

As an expression of connectional stewardship it is encouraged that grant recipients remember to “pay it forward” to the Extra Commitment Opportunity account found at http://www.presbyterianmission.org/give/E051547/. Your support will help provide future funding for the establishment of new worshiping communities such as your own, and to mid councils that wish to build the capacity to enable continual congregational transformation. Please help to continue this important work for the Kingdom of God.

Mid Council Required Documentation

Mid councils participating and giving oversight and assistance must provide on a single separate page, a concise and independent evaluation of the current status of this NWC. Also, describe how you are maintaining regular contact with the NWC and your plan for continued support to help ensure sustainability in the following areas.

- What arrangements have been made for liability / indemnity insurance for the NWC?
- How and where will memberships through baptism be recorded?
- How will the mid council oversee the administration of the sacraments?
- How will the NWC receive charitable donations and their donors receive acknowledgement for their gifts?
- What is the plan for sustaining leadership and resources in the NWC, such as finances and talent?
- How is the link between the NWC coach and the sponsoring session being maintained?

Date of Presbytery representative(s) meeting with NWC: ________________

Grant Guidelines

- **Project Leadership:** The Seed and Investment Grants will support a project with a project leader. The Growth Grant will support ministries with a pastor, including a tentmaker, a stated supply, a designated pastor, a Commissioned Ruling Elder, a co-pastor, or an interim pastor. The Growth Grant will not support an interim pastor appointed at the onset of a project. The New Worshiping Community grants will not support a mid council or Presbyterian Mission Agency staff person. Disbursement will normally be made in accordance with the start date of the leader.

- **Unexpended Grant:** The grants support the specific project for which it has been approved. Any portion of a grant not expended for the approved project should be returned to the grants office.

- **Funding Interruption:** If a project is on hold, either initially or during the term of funding for a period of twelve months, presbytery leadership may be asked to
resubmit an updated proposal.

- **Funding Conditions:** A project is not able to receive its funding until any conditions placed on the project by the MDRC are fulfilled.

- **Defaulted Loans:** Where a borrower or guarantor has received a loan and where that loan is 90 days or more delinquent in payment, a mutually acceptable repayment plan must be approved by the Church Loan Team of the MDRC before additional loans are approved and new grants are disbursed.

### Progress Reports

Seed Grant recipients are to submit a progress report in narrative form at the conclusion of the one-year term of funding.

Investment and Growth Grant recipients are to submit a progress report describing the project’s progress in reaching its goals and objectives at the end of the eighteen-month funding period. A progress report form will be provided by the Mission Program Grants office.

Presbytery Grant for Congregational Transformation recipients are to submit a progress report describing the project’s progress in reaching its goals and objectives prior to the beginning of the second year of funding. A progress report form will be provided by the Mission Program Grants office.

Payment of subsequent grant requests from within a given presbytery is dependent upon receipt of final progress reports for funded projects.

The Grants Team members and the Associate for Mission Program Grants review the progress reports to ensure that future disbursements are appropriate and for learnings that may be beneficial to other projects that apply for assistance.

### Action Appeals

If a mid council is dissatisfied with a decision made by the MDRC, an appeal which sets forth clear reasons why the committee should reconsider its decision may be submitted through the grants office.

### Additional Funding Requests

The MDRC does not ordinarily consider requests for funding in addition to the amount originally allocated to a given project.

### New Worshiping Community Coaches

It is a condition of funding for the Investment and Growth Grants that the leader be assigned a coach. For information contact The Rev. Shannon Kiser, Mission Catalyst, by calling (502) 631-0216 or by e-mail at shannon.kiser@pcusa.org.

### Consultants for Transformation
Presbytery Grant for Congregational Transformation recipients may wish to use a consultant. For recommendations, please contact the Rev. Ann Philbrick, Presbyterian Mission Agency, by calling (888) 728-7228, X5514 or by e-mail at ann.philbrick@pcusa.org.

Value-Added Services for New Worshiping Community Leaders

1. The grant receiving worshiping community leader is eligible to receive a $100 discount to one Evangelism & Church Growth Conference. For information, please contact Ms. Sherry Britton, Program Assistant, by calling (888) 728-7228, X5247 or by e-mail at sherry.britton@pcusa.org.

2. The grant receiving worshiping community leader is invited to receive a free one-hour consultation with a Mission Catalyst or coach. For information contact The Rev. Shannon Kiser, Mission Catalyst, by calling (502) 631-0216 or by e-mail at shannon.kiser@pcusa.org.

3. It is strongly recommended that the worshiping community leader (and spouse, when applicable) complete the “Discerning Missional Leadership: A Potential Church Planters Assessment” early on in the life of the ministry. In any event, the worshiping community leader must complete that assessment prior to the project being considered for a Growth Grant. This free offer is valued at $775 and includes room, board, materials and the actual assessment. Travel expenses are not included. For information, please contact The Rev. Caz Minter, 1001 Associate, South Central Region, by calling (502) 797-1428 or by e-mail at caz.minter@pcusa.org.

The Sam & Helen R. Walton Award

In late December 1991, Sam & Helen R. Walton made a generous gift to the Presbyterian Church (U.S.A.), through the Presbyterian Foundation, of six million dollars. This gift included an endowment in the amount of three million dollars, the earned interest to be used by new church developments (NCD) that have placed a particular emphasis on site acquisition.

The Mission Development Resources Committee (MDRC) annually offers an opportunity to sessions, presbyteries and synods to nominate projects that are working in creative ways to bring the gospel to their local communities. Each selected NCD will receive a one-time financial award, which is made over and above funding received from other Presbyterian Mission Agency sources, i.e., Mission Program Grant and/or a Church Loan. The number of projects approved and the amount of the financial award is based in part on funds available.

The intent of the selection process by the MDRC is in keeping with the June 1992 action of the Evangelism and Church Development Ministry Unit “to be as inclusive as possible in making grant selections with a goal that at least 20% of the projects be racial ethnic new church developments.”

For the granting of the Walton Awards, the MDRC takes into account the status of a NCD as defined by the presbytery. Ordinarily, Walton Awards will be given to
congregations that have been organized not less than four years or more than ten years, as recognized by the presbytery.

The Walton Award may be used for the following purposes.
- Site acquisition / site preparation
- Construction costs
- Rental costs for the church
- Planning / design services for construction of first unit and/or other building projects
- Purchase of additional property
- Parking lot, build/enlarge/resurface, etc.
- Reinvesting moneys: the interest earned is to be reinvested into the corpus for later use in one of the other listed allowable uses

The Walton Award may also be used to help define the NCD and expand its mission and ministry. Uses could include:
- Evangelism and nurture ministries;
- Training events for church leaders in church growth;
- Advertising / promotion of the congregation’s mission and message;
- Assistance with the salary and benefits for the pastor and staff.

Such uses of the funds are for short-term periods where the church is holding the funds for later use on one of the allowable uses. This is to be done in consultation with the presbytery. The award funds are to be used within five years of being received.

Specific criteria on which nominations are based and nomination/selection procedures are outlined on the Walton Award Nomination form.

Names of nominees are forwarded to the Presbyterian Mission Agency Board for approval, after which the recipients are announced to the wider church.

Cut-off for receipt of Sam & Helen R. Walton Award nominations is January 31 and will be considered during the March review date.

Subject: Presbyterian Mission Agency Grant Policy

Recommendation: That the Finance Committee, acting as the corporate Property, Legal and Finance Committee recommend to the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation the approval of the following action:

RESOLVED, that the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation (“Corporation”) hereby approves the Grant Policy, attached as Exhibit 1, which outlines the standards and procedures for the administration of all grant proposals received by any Presbyterian Mission Agency (PMA) ministry grant program, with the Grant Policy not applicable to the grants referenced in the Mission Development Resources Committee Grant Policies and Procedures adopted by the Corporation on April 17, 2015.

Background: In 2003, the General Assembly adopted a policy statement which defined the Presbyterian view of mission. Grants are one way that the Presbyterian Mission Agency lives out its commitment to do mission in partnership. In early 2014 the PMA Leadership Cabinet initiated an organization-wide grant process review for the purpose of assessing the policies, procedures, and practices relating to all PMA grants. The expanded review team was formed in August 2014 and comprised of finance, legal, internal audit, and personnel with responsibility for the large grant programs. The Leadership Cabinet, made the decision to split out policy from procedure, with the intention of policy being brought to the board for approval. The three policies remain in effect until this revised policy is approved.

This Grant Policy is being submitted to assure compliance and uniformity in the administration of the PMA ministry and mission grants.

Preamble

In 2003, the General Assembly adopted “Presbyterians Do Mission In Partnership,” a policy statement which encapsulates the Presbyterian view of mission as “God’s work for the sake of the world God loves.” The policy statement describes the centrality of partnership to a Presbyterian view of mission:

“As Presbyterians, we recognize the Reformed tradition as one part of the larger Body of Christ, the Church. Other communions in the household of God have equally unique and valued places at the table of God's mission. Recognizing our human limitations and because of our fundamental unity in Jesus Christ, we believe we are called to mission in the discipline of partnership. We believe that doing mission in partnership broadens our awareness of how interconnected God's mission is at the local, national and global levels…”

“…The discipline of partnership assumes that mission can best be done by joining hands with those who share a common vision. Partnership in mission involves two or more organizations who agree to submit themselves to a common task or goal, mutually giving and receiving and surrounded by prayer so that God's work can be more faithfully accomplished. Theologically and biblically, partnership is based on the fundamental belief that God's love for the world is greater than any one church can possibly comprehend or realize.”

“Knowing the breadth of God's love for the world, we affirm that there are different forms of partnership with different patterns of cooperation. We may join around a common goal with other churches, with secular organizations or with other faith communities. In any case, work for the common good extends partnership — and the service of God's mission — to all people.”

Ministry through grant-making is one of the ways the Presbyterian Mission Agency lives out its commitment to do mission in partnership. The 2003 policy statement lists five principles for partnership commitments, which are to guide the implementation of the grant policy that follows:

- Shared Grace and Thanksgiving
- Mutuality and Interdependence
- Recognition and Respect
- Open Dialogue and Transparency
- Sharing of Resources
Introduction

This document is the grant policy adopted by the Presbyterian Mission Agency Board (PMAB) in September, 2015. This policy is designed to ensure unbiased consideration of grant proposals and integrity in the administration of all Presbyterian Mission Agency (PMA) grant programs. Adherence to the grant policy ensures compliance with applicable laws, fund restrictions, internal controls, and ministry or accounting policies, while strengthening oversight to improve the grants process. This policy is to be implemented in all ministry areas and programs that award grants to an external entity, whether an individual, congregation, mid council, or domestic or international organization. Exceptions to the provisions of this policy may be made upon recommendation1 of a ministry area in cases in which the region or country presents a security concern. The Executive Director of the Presbyterian Mission Agency in consultation with the Legal/Risk Management Services Office, Ministry Director(s), and the Internal Audit Department will accept or reject the exception request.

Definition of a Grant

The disbursement of funds to an external party2 who has agreed in writing to fulfill specific purposes and comply with funding restrictions, terms, conditions, and reporting required by PMA. The PMA will have no significant involvement in the administration or oversight of expenditures or personnel of the agreed upon project other than to assure that the purpose of the grant has been fulfilled. “Significant involvement” does not include instances in which ministry areas assist external parties in need of capacity building such as budgeting, accounting, coaching, grant writing, and other areas of technical assistance.

Definition of a Grant Program A Grant Program is a particular type of mission emphasis in the fulfillment of mission and ministry priorities, aligned with Mission Work Plan (MWP) goals and national or international strategies, which will be accomplished by providing funding to other mission partners. Some examples of current Grant Programs include: Presbyterian Disaster Assistance, Hunger Program, Self Development of People, and Racial/Ethnic Colleges.

Types of Grants

The PMA disburses three (3) types of grants, and they are distinguished by their approval process.

1. Selected and approved by Elected Committees which are established by

1 The recommendation from the ministry area must include objective substantiation; however, no exception to applicable laws and regulations may be granted by the Executive Director.

Grant Program Administration

Create

All grants and grant types must be part of an approved grant program (Grant Program). In order to create a Grant Program, the sponsoring ministry area must (i) identify a perceived grant programing need that meets a mission priority of the PMA; (ii) identify and assign funding, and (iii) obtain the following approvals with respect to a new grant program: Ministry Area Director, Legal Services, PMA Leadership Cabinet, and PMAB through the approval of the PMA Budget.

Design

A. Grant Program must:
   1. Establish and document the guidelines and criteria\(^3\) that must be met by grant applicants in accordance with PMA mission priorities and restrictions associated with the Grant Program’s funding source(s).
   2. Create the application, if applicable, and the grant administration timeline which guides the submission, review, award, reporting, monitoring, and completion phases of the grant. The application should include questions and information that will facilitate the collection of all relevant and required data which needs to be considered during the selection process including but not limited to:
      - providing evidence of denominational and/or community connectedness
      - grantee reporting responsibilities throughout the grant’s timeline
      - ensuring that grant recipients are aware of grant funding source restrictions, requirements for reporting and compliance with grant purpose, consequences of noncompliance
      - informing applicants of the PMA’s right to perform an audit on granted funds at any time
      - applicant’s capacity to fund project from its own assets or from other grant awards
   3. Identify and document (i) measurable performance expectations and (ii) qualitative and quantitative data to be collected from grant recipients to provide a means of ensuring the program’s intent and objectives are being met. These benchmarks can be defined collaboratively, but must meet the minimum standards to accurately measure the recipients’ level of performance.

---

\(^3\) “Criteria” should include: 1) eligibility to apply for and receive a grant, 2) requirements for a complete application, and 3) demonstration of missional alignment.
4. Develop and document grant approval rules (which are distinct from Web Invoicing approval rules) based on the grant type and level of funding.

5. The Grant Program’s design is to be reviewed and approved as to law, policy and fund restrictions as well as internal controls by the Legal/Risk Management Services Office and Internal Audit.

6. Provide that applications/proposals are to be received, distributed to, and reviewed by an Elected or Staff Committee. The electronic transmission of applications/proposals throughout the grant process is encouraged. In most cases, a Staff Committee will consist of no fewer than three (3) PMA staff. An Elected Committee shall consist of no fewer than three (3) persons. These committee members are to be chosen based on proven competencies in finance or the field of ministry which the grant is intended to support.

7. Establish and make public an unbiased and consistent set of review criteria to ensure fairness and comparability across proposals being considered for support throughout the PMA ministry areas. In those instances of limited responses or the ministry area needs to create equity in the partnership commitments to implement mission and ministry goals, the committee can award the grant based on extenuating circumstances or sole source award guidelines.

8. Establish and advise declined applicants of any existing appeal or reconsideration process for the Grant Program (i.e., money remains to be granted if such an appeal or reconsideration is considered and approved). Appeals and reconsiderations will generally be considered by a team appointed by the Executive Director or as otherwise designated in the grant program design. Such team should include one representative from the original review committee, but is primarily composed of independent appeal reviewers.

9. All elected persons serving on Elected Committees are subject to the PMA Ethics Policy for Elected and Appointed Members, and Staff Committee members are subject to the staff ethics policy in the provision of their duties under this policy.

Additional Steps

Processes for administering, selecting, awarding, monitoring and disposition, as well as related guidelines, criteria, forms and systems, will be developed by the Ministry areas and approved by the PMA Leadership Cabinet, or its successor for each Grant Program. Such processes, guidelines, criteria, forms and systems will include strong internal controls, eliminate the potential for management overrides, and reflect a culture of compliance in grant administration.

Biennial Review

This Grant Program Policy will be reviewed every two years upon collecting feedback from PMA staff making certain to include representatives from all ministry areas as well as Common Services including Internal Audit and Legal Services. The Executive Vice President/CFO will cause this review to occur. Changes will be submitted to the PMAB for approval through the Board’s Finance Committee.

Approval of Policy Revisions

This grant policy may be revised on an emergency basis by the Leadership Cabinet. Any emergency revision by the Leadership Cabinet must have input from the relevant ministry area, Accounting and Finance, Legal, and Internal Audit. Emergency revisions are temporary and must be reported to the PMAB Executive Committee for ratification.
Subject: How Federal Student Loan Forgiveness in 2017 Affects Undergraduate and Graduate Loans offered by Financial Aid for Service

Recommendation:

That the Presbyterian Mission Agency Board and the Board of Directors of the Presbyterian Church (U.S.A.), A Corporation:

1. Recognize that loans offered through Financial Aid for Service no longer offer a significant advantage for or lower costs to Presbyterian students or parents (this program is completely separate from our financial support for seminary students).

2. Direct the Presbyterian Mission Agency through its Financial Aid for Service office to cease all student and parent loan origination activity for undergraduate and graduate loans effective April 1, 2016. Transformational Leadership Debt Assistance and Season of Service Loan Assistance programs will continue.

3. In anticipation of the October 2017 effective date for loan forgiveness through Public Service Loan Forgiveness (PSLF), direct Presbyterian Mission Agency to:
   a. Explore means to forgive existing PCUSA student loan balances for teaching elders serving congregations in pastoral positions and borrowers that entered repayment since 2007 and would qualify for relief under the PSLF guidelines.
   b. Propose alternatives to lending with particular emphasis on expanding repayment assistance for a) teaching elders, b) missionaries serving through World Mission, and c) church members presumably ineligible for Public Service Loan Forgiveness because their employment activity encompasses worship, religious instruction, and proselytizing.

4. Direct the Presbyterian Mission Agency staff to coordinate this work with the Foundation and Board of Pensions staff in the following ways:
   a. Coordinate with the Foundation to invest accumulated interest and seek maximum yield for the program resulting from 2.b. above.
   b. Coordinate with the Board of Pensions to improve awareness of plan members to manage educational debt and avoid or reduce redundancies in programs for student loan repayment assistance.

5. Direct the Presbyterian Mission Agency staff to reserve the unused portion of 2015 and 2016 budget (the portion for loans that otherwise would have been originated) for servicing of existing loans, and administrative and legal expenses that may be incurred by Financial Aid for Service to design a new program and create education debt management resources.
Background:

The Presbyterian Church (U.S.A.) has, for decades, sought to provide low-cost alternatives to unsubsidized Federal and/or private student loans for the benefit of church members. For the most part, we have succeeded, by offering loans with in-school deferment, and parent loans with lower interest rates. We have succeeded by setting interest rates that at least meet, or are below, the interest rate on federal unsubsidized loans and Parent PLUS Loans and by adopting as many of the repayment plans and debt relief features offered through federal loan programs as can be supported through existing loan servicing contracts and the particular donor restrictions.

Program design and lending activities require balancing the short term needs of the student against the potential for harm to the student. Using financial reliability standards, Financial Aid for Service serves church members by developing strong credit standards and educational loan balance caps to effect sustainable and affordable educational debt. During the financial crisis in 2007, new default aversion initiatives were launched to renegotiate loans with distressed borrowers.

Congress enacted the College Cost Reduction and Access Act of 2007. This legislation resulted in loans that have features that our loan program cannot match due to: 1) restrictions in the donative documents, 2) our loan servicing contracts, and 3) Master Promissory Notes executed since 2003 which require repayment within 120 months of graduation. The first change of the 2007 act was income-based repayment. Income-based repayment effectively lowers monthly payment for borrowers based on the total volume of the borrower’s student loans and the borrower’s income and extends the term of the loan to 20-25 years. The second 2007 change is Public Service Loan Forgiveness (PSLF), which establishes a basis for forgiving loans after 10 years of eligible service.

In October 2017, the first federal student loans made under the 2007 authorizing act will start reaching the 10 year requirement for loan forgiveness. PSLF extends to the employees of not-for-profit organizations but specifically excludes employment activities related to worship, religious instruction, and proselytizing.

Starting in 2010, the Presbyterian Mission Agency Board has approved Financial Aid for Service proposals to create loan forgiveness and repayment assistance programs limited to student loan funding conveyed without restriction to maintain the loan fund in perpetuity through repayment. To date, $400,000 of debt forgiveness for teaching elders serving small congregations in part-time and/or temporary pastoral positions, and $75,000 of assistance to church members serving in one-year volunteer positions has been deployed through Transformational Leadership Debt Assistance and Season of Service Loan Assistance.

Given the current conditions, Financial Aid for Service is no longer able to offer church members the assurance that loans offered by the Presbyterian Church (U.S.A.), A Corporation provide a significant advantage or lower cost. This is reflected by a sharp downward trend in lending since 2007 when Financial Aid for Service:

- Stopped actively promoting the student loan to scholarship applicants
- Encouraged borrowers to use federal loan programs if they were preparing for careers in fields (teaching, health care, social work) where PSLF was more likely to be available, and
- Maintained a 5.5% interest rate for student loans even as federal student loans dipped below 5%.
The endowments assigned to Financial Aid for Service for Educational Loans represent 7.5 million dollars of market value. We are unable to discern a practicable way to deliver a student loan product to church members with a lower interest rate, equivalent repayment terms, and the forgiveness features provided by federal loans that also afford sufficient flexibility to unilaterally alter the terms of the loan in the manner demonstrated by Congress through the aforementioned College Affordability Act. Encumbering church members with a more expensive, private educational loan is inconsistent with the mission of the Presbyterian Mission Agency. Without exception, gifts restricted to lending to meet educational cost pre-date the creation of widespread loan forgiveness for public service by decades. Donors could not have contemplated the current conflict between our duty to fulfill the donor intent, in those instances where the donor stipulated repayment to maintain the loan fund in perpetuity, and our duty to act in the interest of teaching elders and church members.
