## Ages 3-5

Children this age play and learn by pretending and mimicking what the adults around them do. They learn about spiritual matters the same way they learn about other things: through relationships with caring people, through their senses, through hands-on experiences, through play, through curiosity. While children this age think literally, listening to stories helps spark their young imaginations.

"I loved that Gradye Parsons reads some of the stories!"  
—John Allen Bankson, Facebook

## Ages 5-7

Children of this age enjoy engaging with other children rather than just the adults around them. They pretend and play imaginative roles other than those they see in their caregivers. Their imaginations inspire them to craft spaceships or be explorers or lions. Many children in this age group are able to read; however, at times they may struggle to understand biblical concepts. Encouraged by a sense of wonder at God's amazing ways, they can be reassured of God's love for them—a love that does not depend on what they know or understand.

"What we have been enjoying about the curriculum is how interactive, imaginative and engaging it is. The kids are not receiving a lesson passively, but rather they are active participants in the story and actively respond to it."

—Emily Stecher, First Presbyterian Church, Portland OR

## Ages 8-10

Children this age are developing an understanding of abstract concepts. They are able to solve problems more independently and modify behavior based on consequences. They are growing in their desire to join teams and groups and can appreciate how God's Word shapes the identity of members of the body of Christ. Through their love of questions and learning of God's grace, they can grow in their discipleship and be inspired to practice hospitality, generosity, and love.

## Multiage (Ages 5-10)

A multiage environment is a wonderful place for children of various ages to grow in faith. Differences in the experiences, knowledge, and abilities of the children can be celebrated. It is a joy to observe older children as they help their younger friends. They do so with great pride. As we watch older children respectfully interact with younger ones, we see their potentials unfold. Younger children benefit by modeling actions from their older peers.

# Adult Curriculum

## Being Reformed

A series of biblically based mini-courses that provides adults with a foundational understanding of the Reformed faith. Each six-session study—written by well-known and respected scholars—features Scripture, prayer, in-depth commentary, and questions for reflection.

Each study addresses its subject from a Reformed theological perspective. Lessons are enhanced through the Leader's Guide, which offers helpful suggestions and direction for group study. The main structure for these guides is the rubric Head, Heart, and Hands.

## THE PRESENT WORD

### The Present Word

Through the exploration of biblical text, adult study groups are invited into a deepened relationship with God. This quarterly resource engages participants in an experiential style of learning—connecting faith and life. Each week's session is carefully outlined with a description of the materials needed for the lesson.

## ENGAGE CURRICULUM

### Engage

Based on the well-loved PC(USA) program of the same name, *Engage* curriculum inspires a journey of prayer and faith-sharing, equips members to live out and share their growing faith, and connects the church with its community.

# Feasting on the Word

Teaching the Revised Common Lectionary

Based on the award-winning commentary *Feasting on the Word: Preaching the Revised Common Lectionary*, this ecumenical, downloadable resource integrates the *Feasting on the Word* commentary style to explore lectionary passages in ways suitable for all age levels. This approach connects worship and faith formation like no other lectionary curriculum ever has.

Each age level provides comprehensive, accessible biblical background for teachers from four perspectives.

**WHAT?** (Exegetical) Basic information about backgrounds and meanings of Scripture is essential to understanding. This stream asks “What?” are the important things to know about the contexts, language, and settings of the biblical passage.

**WHERE?** (Theological) To understand the meanings of passages, we also need to ask “Where?”—where is God in this passage? Where are God’s will and activities being expressed? Theological questions about where God’s word comes to us in the passage are significant.

**SO WHAT?** (Pastoral) The implications of the passage for our Christian lives make the biblical passage come alive. We ask, “So what?” What does this passage mean to me? What does it mean for my relationship with God and other people?

**NOW WHAT?** (Homiletical) Biblical passages shape our understandings and lives in the church. They connect us with needs in God’s world. So we ask, “Now what?” This prompts us to reflect on how our life and the church’s life can live out what the passage is saying.

*Feasting on the Word Curriculum* fosters relationships through learning together.

Resources are available for the following ages:

-  Grades (K)1–2
-  Grades 3–4
-  Tweens (Grades 5–6)
-  Multi-Age (Grades K–6)
-  Youth
-  Young Adult (Conversations on the Feast)
-  Adult

Everyone explores the same Bible passage each week—making it easy for families to learn and live out their faith together. Children’s age levels are enhanced by a supplementary music CD, creative color packs, and a variety of activities and discovery to stimulate learning.

Children's age levels are available in 9-month programs or seasonally from September through Pentecost. Multi-Age is also available in a 12-month program or summer-only program for churches that experience lower attendance during summer months. (See [feastingcurriculum.com](http://feastingcurriculum.com) for pricing.)

## Grades (K)1–2

Am I welcome here?

These young learners are newly exploring the worlds of school and church and Feasting on the Word materials help teachers shape learning experiences that proclaim: You are welcome here! You belong to God and to this church family! Making the most of their love of stories, children will explore God's Word in ways that engage their senses, their emerging skills in reading and writing, and their need to learn by doing.

## Grades 3–4

What does it mean to belong here?

Third- and fourth-graders are growing in their desire to join teams and organizations: Feasting on the Word materials help teachers provide learning experiences that address the many ways God's Word shapes their identities. Tweens are on a journey from childhood into puberty, growing in reliance on social networks. Feasting on the Word materials help teachers provide learning experiences that encourage investigation of the many ways Christian faith can shape life choices. ## Multi-Age

How can our faith be shaped through all-age learning?

Teachers and learners from ages five to twelve will come together to explore and connect with our faith stories. Designed to encourage cooperative learning across a wide age range, children will experience Scripture through storytelling, drama, and a variety of activities that appeal to various learning styles. Multi-Age is the perfect resource for churches that require plans for groups of learners of different ages, capabilities, and curiosities.

Recognizing the importance of visuals in learning through various media, each children's age level includes an age-appropriate color pack filled with illustrations and teaching pictures. This color pack is included in the price of each age level and is mailed to subscribers seasonally.

A yearly music CD is also available for separate purchase or included free of charge with any 12-month or 9-month **Total Church Plan** and the **Small Church Plan**. Songs are integrated into children's lessons and enrich the experiential learning.

### Adult

How does my faith formation and my worship integrate with my knowledge and experience of the world?

Adults see the world through the filter of life experience and life transitions. Adults enter Bible study and worship with this variety of views. Feasting on the Word materials will engage adults in a deeper exploration of biblical texts. Christian faith will be enhanced when the Scriptures read and proclaimed in worship are reinforced and expanded on what they have been considering in their educational time. Education and worship can be mutually supportive in helping God's word in Scripture come alive in the Sunday morning experience.

### Young Adult

How can I join in a conversation of maturing faith that promotes encouragement and mutual accountability?

Young adults are transitioning into independence as they settle into a unique identity in a pluralistic world. Feasting on the Word materials will engage emerging adults in informal discussions about their beliefs and values as they explore Christ's claim in their lives. Through informal study of God's Word, emerging adults will engage in conversation that will make connections between their faith and their actions, while they examine God's call in their lives.

"I love the way that the Feasting curriculum helps children and teachers learn about the ebb and flow of the church year. That was really evident last year during the children's time in worship on the first Sunday of Advent, when the pastor asked, 'Does anyone know what today is?' expecting the kids to say no. Six hands went up. A first-grader answered, 'The first Sunday in Advent.'"

—Barbi Smith, Saint Charles, MO

#### 너희는 기도하라

*You Should Pray*

2016 년 가정공동체말씀의 주제는 “너희는 기도하라”이다. 성경에 나오는 위대한 하나님의 사람들은 기도의 사람들이었고 기도의 능력을 받아 하나님의 역사를 감당하고 승리한 사람들이다. 지금은 그 어느때 보다 기도해야 할 때이며 기도의 능력이 필요한 때이다. 기도에 대한 공부를 통해 기도의 놀라운 은혜를 체험하며 기도로 승리하는 삶을 사는 역사가 일어나야 하겠다.

#### 세상의 소망 교회

*Most Hopeful Church*

2017년 가정공동체 성경공부는 신약성경에 나오는 12 교회를 공부하도록 집필되었다. 그 가운데는 예루살렘교회, 안디옥교회를 위시해 요한 계시록에 나오는 일곱 교회가 있다. 이 교회들은 과거의 역사적 교회이면서 동시에 오늘의 교회의 모습을 보여준다. 이들은 각각 처한 상황에서 그리스도의 몸과 하나님의 백성으로서의 부르심에 신실하게 응답하며 변혁의 사명에 충실했는지 그 공적적 모습과 부족했던 모습들을 통해 오늘의 교회가 지향해야 할 바른 교회의 모습을 제시하고 있다.

장로와 집사를 선출하여 임직하기 위해 훈련하는 일은 가장 중요하고도 어려운 과제 중 하나이다. 본 교재는 한인장로교회의 특수상황과 미국장로교회의 전통과 문화적 배경을 고려하면서 평신도 지도자들이 꼭 갖추고 알아야 할 개혁신앙과 예배모범, 그리고 청지기직과 제자직 등에 관한 중요한 주제들을 폭넓게 다루고 있다. 아울러 장로교 직분자들에게 필수적인 규례서 공부를 효과적으로 할 수 있도록 새로 개정된 정치모범(Form of Government)에 따라 집필하였으며, 장 7 단기 훈련과 제직 자격 시험을 치를 수 있도록 만든 편리하고 알찬 교재이다.

### Crecemos en Gracia y Gracitud

Cada lección de *Crecemos en Gracia y Gracitud* está arraigada en historias bíblicas que revelan la gracia de Dios. La niñez y sus líderes celebrarán el significado de esta gracia en sus vidas, al encontrarse con el Dios vivo. Por medio de actividades, oración y música, el grupo se reunirá en la gracia de Dios y aprenderá a responder gozosamente en gratitud.

### ¡Refórmanos!

Los estudios de *¡Refórmanos!* proveen a los grupos adultos un entendimiento fundamental de nuestra fe reformada. Cada estudio de seis lecciones cuenta con un pasaje bíblico, una oración, un estudio exhaustivo y preguntas para la reflexión.

### Estudios bíblicos reformados

*Estudios bíblicos reformados*, escrito por autores/as de la comunidad hispana/latina presbiteriana es un material trimestral para adultos y para jóvenes. Estos materiales reflejan las creencias teológicas de nuestra tradición reformada y tiene dos componentes: los encuentros educativos para participantes y una guía para líderes.

### Participe

El material educativo *Participe*, basado en el programa evangelístico del mismo nombre, inspira una jornada de oración y de compartir la fe, capacita a las personas a vivir y a compartir su fe, y conecta a la iglesia con su comunidad.

## Edades 3-5

Los niños y niñas de estas edades juegan y aprenden simulando e imitando lo que hacen las personas adultas que les rodean. Aprenden sobre cosas espirituales de la misma manera que aprenden sobre otras cosas: a través de las relaciones con personas que les aman, a través de sus sentidos, de experiencias prácticas, del juego y de la curiosidad. Aunque a esta edad se piensa literalmente, el escuchar historias ayudará a los niños y niñas a desatar su imaginación.

## Edades múltiples (5-10)

Un ambiente de edades múltiples es maravilloso para que los niños y niñas de diferentes edades crezcan en la fe. Se pueden celebrar las diferencias de experiencias, conocimientos y habilidades del grupo. Da gusto observar a los/as de mayor edad ayudar a los/as de menor edad. Lo hacen con orgullo. Al mirar a los/as mayores interactuar respetuosamente con los/as de menor edad, vemos desarrollar su potencial. Los/as de menor edad se benefician de las acciones modeladas por sus compañeros/as de más edad.
