

Overview

- Mission Stories is a thirteen-session downloadable curriculum written by Presbyterian Church (U.S.A.) mission personnel from around the United States and the world.
- This curriculum is available for two age groups: children (K–5) and youth/adults. The two age groups are sold separately.
- Mission Stories for Children features stories from children of mission personnel or children from the mission site. Mission Stories for Youth & Adults features stories from Young Adult Volunteers. Both age groups connect with the same mission locations throughout the thirteen sessions.
- To obtain this curriculum, purchase through pcusastore.com and the PDF files are placed in your cart, ready to download any time.

Each Session of Both Age Groups Includes

- A colorful, downloadable, four-page, easy-to-use leader's guide
- Photos and videos prepared by each mission site
- Information about the mission site and featured mission worker
- A Bible study based on a meaningful Scripture passage suggested by the mission worker
- Resources for your congregation to use in worship
