

Lift every voice and sing, Till earth and heaven ring,
Ring with the harmonies of Liberty;

Let our rejoicing rise High as the list'ning skies,

Let it resound loud as the rolling sea...

Let us march on till victory is won.

— James Weldon Johnson

ADVOCACY TRAINING WEEKEND

2016

“Lift Every Voice! Racism, Class & Power”

APRIL 15–18, 2016 IN WASHINGTON, D.C.

In our neighborhoods and around the world, social, economic, corporate, and political powers are working to reduce citizens' access to decision-making. These practices violate the rights and silence the voices of those most affected by these decisions and severely hamper the ability of all citizens to determine the best policies for our communities and nations. As Christians, God calls us to lift up all voices so that we the people might regain influence in the policies that affect our nation and our world. Come to Advocacy Training Weekend April 15-18 and lift up your voice for transparent and participatory government at home and abroad.
