Subject: **Appoint a liaison to Mission Development Resources Committee (MDRC)**

Recommendation:

The Worshipping Communities Committee recommends that the Presbyterian Mission Agency Board elect the following member to fill an unexpired term as its liaison to the Mission Development Resources Committee. This term begins immediately and concludes in September 2018.

- **(Name to be provided by the Worshipping Communities Committee)**

Background:

The Worshipping Communities Committee provides one of its members as a liaison to the Mission Development Resources Committee. Corey Schlosser-Hall was elected to a four-year term in September 2014, but has since resigned from the Presbyterian Mission Agency Board and the Worshipping Communities Committee. The liaison ensures that opportunities and concerns between the committees are shared in a helpful timely manner.
