Subject: **Comment on the 222nd General Assembly (2016) – Overture 062 (Business Item #08-04) “On Calling for the RE/MAX Corporation to Cease Selling Property in the West Bank Settlement” – From the Presbytery of Redwoods**

Recommendation:

That the Presbyterian Mission Agency Board approve the following comment on Overture 062 (Business Item #08-04) “On Calling for the RE/MAX Corporation to Cease Selling Property in the West Bank Settlement” – From the Presbytery of Redwoods

Comment:

The Presbyterian Church (U.S.A.) has historically supported nonviolent economic strategies to counter unjust practices and/or promote social change.

These efforts have included calls for sanctions by the U.S. government, the use of our accumulated resources through divestment and investment and boycotts, including boycotts of table grapes and fast-food companies on behalf of farm workers, Nestle for selling infant formula in the developing world, J.P. Stevens sheets and towels to support textile workers, and the consumer boycott of all Israeli products coming from the Occupied Palestinian Territories.
